STAT

DEFENSE INTELLIGENCE AGENCY

-WASHINGTON, D.C. 20340-

ER 89-4599

13 NOV 1989

U-686/DI

Honorable William H. Webster
 Director
 Central Intelligence Agency
 Washington, D. C. 20505

Dear Judge Webster:

As in past years, the Defense Intelligence Agency (DIA) will again sponsor a conference to acquaint Department of Defense junior intelligence officers with the organization, activities, and perspectives of the U. S. Intelligence Community. Over the last 7 years these conferences have been highly successful.

The measure of success which we were able to attain in last year's conference was directly related to the arrangements which your agency made in supporting the event. CIA's support was most beneficial in expanding the conferees' knowledge on the relationships and interface of Community components. I feel strongly that we must continue efforts of this nature to ensure that we groom our junior intelligence officers to meet the leadership challenges of the future.

Accordingly, DIA is planning to host a Junior Intelligence Officers' Conference during November 1989 in Washington, D. C. The conference is for officers personally selected by their Service Intelligence Chiefs and the U&S Command J-2s. We again plan to organize the conference around a week-long series of seminars, briefings, and tours. It is our intent to provide the conferees an opportunity for dialogue with leaders of the Intelligence Community, and to meet decisionmakers who use intelligence products.

STAT

My staff has made preliminary arrangements with [redacted] of your Office of Training and Education. Currently a visit to CIA by the conferees is planned for Tuesday, 28 November 1989 from 0815 to 1400. As presently planned, the officers will be afforded an insight into CIA and its relationships with the Intelligence Community and the other branches of the government. If your busy schedule will permit, some personal comments to the conferees would be extremely beneficial.

STAT

We remain particularly grateful for your agency's participation in the 1988 conference, which was a highlight of the conferees' week-long activities. The DIA point of contact is [redacted] USAF, DI-ESA, telephone 695-7671, gray 960-8244.

STAT

Sincerely,

1 Enclosure
